To Businesses and Citizens of Buckingham County:

The County of Buckingham is asking businesses and citizens to fill out the enclosed 2011 Recycling Report for January 2011 to December 2011, the form may be filled out on our web page follow the guide, www.buckinghamcounty.va.org. Effective December 10, 1990, the Department of Environmental Quality (DEQ) required all counties in the state of Virginia to recycle 25% of all the waste in the County.

Please complete the enclosed questionnaire or you may fill the form out on -line, return it to this office no later than:

March 15, 2012

Please take the time to fill out this form even if you do not recycle. If you do not recycle, please put a 0 on the form and send it back. Make sure to put your Company Name and address on the form. We receive a lot of them back with no name and we have no idea who they belong to. If I do not receive the form by March 15, 2012, I will call you to remind you, until the County gets' it back.

I would like to take this opportunity to thank you for taking the time out of your busy schedules to fill out the report and for recycling.
